It is the team's head coach's responsibility to get sponsors' gifts delivered to them. Our sponsors are key to the success of this league. This token of "Thank You" is the least we can do! These are to be delivered NO LATER THAN 1 week after the delivery of pictures. If anyone needs assistance with this requirement, contact Jeff Johnson at johnson12030@gmail.com or (608) 712-6928. Upon delivery, email confirmation to johnson12030@gmail.com is required.

Final pitch count sheets will be initialed by both coaches. (Scorekeeper will turn pitch count sheets into the Concession Stand).

After each game, coaches and players are to assure that dugouts and grounds are clean. Both team coaches are responsible for raking/grooming the field. If you are the last one to leave the park, make sure all doors on locker rooms and restrooms are locked.

At conclusion of the game – **both team's coaches** are responsible for field care and clean up.
6. A game may not start nor finish with either team having less than 8 players.
7. An adult **MUST** be in the dugout at all times. (use of an approved volunteer OR if not available, and team has only one coach, coach must remain in dugout and use players as base coaches). 8. All players must stay in the dugout while the game is in progress, unless they have permission from the coach. Only team members and approved coaches are allowed in the dugouts/field of play during games.

1. Each player must play at least every other inning (3 outs) on defense.
2. Each player is expected to play an infield position and an outfield position during the game unless the coach feels it would pose a safety risk.
3. Each player must bat in rotation, whether they are playing defense or not.
4. A coach must use a courtesy runner for the catcher with two outs. The player who made the last out will be the runner.
5. If the catcher has caught for 3 or more innings, he/she cannot pitch in the same game.
6. If a pitcher has pitched 41 or more pitches, he/she is not eligible to catch the rest of the day.

MAJOR DIVISION PLAYING RULES (50/70 Intermediate Little League)

10. Game times:
 - **First game (T-Ball and Coach Pitch)** starts at 5:00 pm and lasts until 6:00 pm – *Umpire's time runs the field.* Game will be called at 6:00 pm and field prepped for the second game.
 - **Second game (Minors and Majors)** starts at 6:20 pm and a new inning may NOT start after 7:50 pm – *Umpire's time runs the field.* (Should the game start late, the 7:50 pm rule still applies). Game will be called at 8:15 pm and if in the middle of an inning, score will stand even if home team has not batted. NO revert back rule. No exceptions!
11. The 5 run rule per inning will apply in all innings, EXCEPT the last inning may be unlimited runs. If the last inning is announced when the home team is batting, the home team will be restricted to 5 runs as the visiting team was. **Run Ahead Rule:** 15 after 3 innings, 10 after 4, and 8 after 5 = ends the game.
12. Leading off and stealing is allowed throughout the entire season.
13. **Balk Rule:** Any intentional or accidental movement by the pitcher to deceive a baserunner will result in a balk being called and all baserunners advancing one (1) base. Pitchers are expected to pitch from stretch position with runners on 1st and/or 2nd base. Each pitcher will be allowed one (1) warning per inning as a teaching tool before a balk will be administered.
14. Sliding – **All players are encouraged to slide but MUST avoid contact with the defense if there is a play at the base.**
 - a. (Umpire calls "Play at Base", NOT coaches. "Play at Base" = Defense, Offense, Ball, & Base.)
 - b. All players encouraged to slide into bases to avoid tags (except 1st base).
 - The other option a runner has is to attempt to get around the defender attempting the tag. (Runner can only move up to 3 ft. left or right to remain legal).
 - Defensive players may not block the base unless they have the ball. (obstruction may be called = runner safe).
 - Except when a runner is returning to a base, head-first slides are NOT permitted.
15. **Slash Bunts are NOT ALLOWED.** – A batter showing bunt CANNOT pull back and swing at pitch. Batter and Coach shall receive 1 warning. If batter does again, he/she is immediately out, without consideration of number of strikes on him/her. Ball either hit or missed is dead immediately, runners do not advance.
16. **Dropped 3rd Strike (Passed 3rd Strike)**
 - a. Rule 6.09 – The batter becomes a runner when (b) the third strike is called by the umpire and is not caught, providing (1) first base is unoccupied or (2) first base is occupied with two (2) outs.
 - b. Simple Explanation: With less than two outs and first base occupied, the batter is out. Any and all runners advance at their own risk. With two (2) outs and first base occupied (this includes bases loaded), the ball is live and the batter becomes a runner. All the catcher needs to do is get the ball and touch home plate (to get the 3rd base runner out when bases are loaded) OR throw to first to get the batter (now runner) out OR tag out the batter (now runner). It is recommended on offense to have base

runners and batter run. The best advice is to always have the batter run and let the coaches/umpires sort it out.

COACHES ARE RESPONSIBLE FOR MONITORING PITCH COUNTS STRICTLY!!!

Pitch counts are in place and **REQUIRED** for the protection of the player. Coaches and/or parents are not allowed to override or ignore these requirements.

Be mindful of pitches in warm-ups and practices. They add up and put strain on the player's arm too.

Pitching Rules

Any player may pitch a **maximum of 50 pitches per day**. We have lifted the "inning limit" to allow pitchers who pitch to 1 batter, for example, to end an inning and be eligible for a subsequent inning(s). Upon reaching the limit, Pitcher must be removed from this position but may remain in the game, **EXCEPT** if 41 or more pitches are delivered in a game, player cannot play catcher for the remainder of that day.

All pitchers age 16 and under must adhere to the following pitch count vs. days of rest.

Pitches (in a day)	Days of rest required
66	4
51-65	3
36-50	2
21-35	1
1-20	0*

**Pitchers that pitch in consecutive days are required to rest on day 3 regardless of number of pitches thrown in those two consecutive days.*

1. Coach is allowed 2 visits to the mound in 1 inning and 3 for the entire game. Any visit in excess requires pitcher to be removed. If a pitcher is removed on a visit, it does not count toward visit total for game.
2. Once pitcher is replaced during the game, he/she may not return to pitch in that game.
3. If pitcher hits 2 batters in 1 inning OR 3 batters in a game, he/she must be pulled for rest of the game. (Pitching only, can play other positions as allowed.)
4. Breaking balls (curve or slider) are not allowed in league play. Acceptable pitches are fastballs, change ups, and knuckleballs. If an illegal pitch is thrown, the pitcher will be given 1 warning and the offensive coach will choose either a ball to the batter or the result of the play. Upon a second illegal pitch, the pitcher will be removed from the pitching position.
